

## MEDIA

### Week 9 for June 1-5

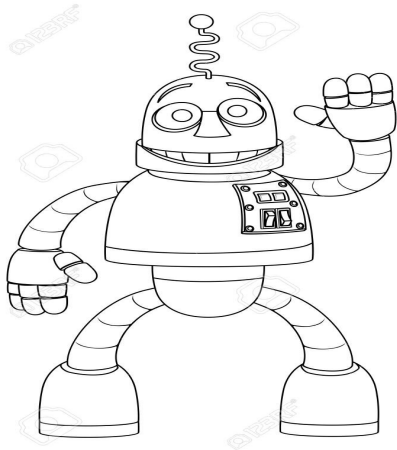

Theme for this week:

**What are Robots?** Robots come from the Czech word “robota” which means “forced work or labor.” We use the word "Robot" today to mean any human-made machine that can perform work or other actions normally performed by humans, either automatically or by remote control. Robotics is the science and study of robots.

For more information on robots: <https://kids.kiddle.co/Robot>

Task for this week:

1. Read/Listen to story, “Boy+Bot” by Ame Dyckman  
<https://safeYouTube.net/w/L68G>  
*“What do you think of the story?”*  
*“What do you like/not like about the story?”*  
*“How do you find the relationship between “Boy and Bot”?”*
2. Do a STRETCH and do some ROBOT Dances!! Enjoy ...

<https://safeYouTube.net/w/vE8G>
3. Build-a-Bot with Curious George - an online game  
[https://pbskids.org/curiousgeorge/games/build\\_a\\_bot/](https://pbskids.org/curiousgeorge/games/build_a_bot/)
4. How to draw to robot  
<https://safeYouTube.net/w/KG8G>  
<https://safeYouTube.net/w/5L8G>
5. Create your very own 3D robot! Try using materials that can be recycled.  
Don't forget to name your robot and the special functions your robot can do!  
++ Be creative!++ ++Have fun! ++  
Always ask a parent to assist you! And don't forget to share your creations!

**Happy Building, Happy Learning!**
