## MEDIA for May 4-8, 2020

This week, we will continue looking at **INTERNET SAFETY.**

Task:

1. You will read a Poem titled, "Cyber Sense Poem"  (see bottom of page)
2. Listen to songs about ...
   Be Safe Online
   https://safeYouTube.net/w/lfy8

   Safe Online feat' Low Road & Windmill Music
   https://safeYouTube.net/w/5fy8

3. After you read the poem a few times and listened to these songs, think of the words used and the messages pointed out. Your next task is to create and make a "catchy jingle": usually they rhyme, are very short, and may be sung to a familiar tune. Perhaps you may want to use instruments for sound effects to help you out. For example, (tune of Happy Birthday To You)
   Cyber safety is my plea,
   Cyber safety is my plea,
   Cyber safety, Cyber safety
   Cyber safety is my plea!!! Yeah …

   Do share your jingle!! Would love to read/hear them ...

**Game this week on Internet Safety:**
*How do these games help you understand the importance of internet safety? Explain.

**Safety Land**
**https://www.att.com/Common/images/safety/game.html**

**Interland-Tower of Treasure**
**https://beinternetawesome.withgoogle.com/en_ie/interland/tower-of-treasure**

**Happy Learning!**

# CYBER SENSE POEM

I have a special secret,
Whenever I'm online
I do not share with others
The things that are just mine.
My email and my home address,
My phone and fax and name,
These facts are just for me to know
On websites or in games.

Instead I use my nonsense name
As my net identity.
When people ask me who I am
I say, "I'm Cyber-me."
And when I want to surf the web
For places that are cool,
I get some help from mom or dad
Or teacher's from my school.
